

**THE WEDDING CELEBRATION HAS ENDED. NOW
THE REAL JOURNEY BEGINS.**

In this transformative guide, Imam Ayman Al-Taher draws on decades of clinical experience and Islamic scholarship to help couples build marriages that last a lifetime. Integrating traditional Islamic teachings with evidence-based psychology and neuroscience, it gives couples the practical wisdom they need to navigate the critical years of marriage and family life.

From healthy communication and conflict to in-laws, parenthood and mental health, *Sacred Foundations* addresses the real challenges couples face when “I do” becomes daily life.

WHAT CLIENTS ARE SAYING

“He has taken a non-traditional approach that still remains grounded in Islamic values and our way of life... He listens with intention, creates a space that feels safe and balanced for both of us, and encourages empathy in a way that feels practical and deeply respectful.”

“His approach is calm, clear, and compassionate, and always rooted in what will benefit the marriage, not just the individual.”

“He combines his excellent grasp of the subject matter with a high level of empathy, kindness, trustworthiness and respect for his clientele.”

Whether you are in your first year of marriage or strengthening the foundations you have already built, this book offers faith-aligned, scientifically grounded support for a partnership filled with *sakinah*, *mawaddah* and *rahmah*.
