

YOU WERE MADE FOR MORE THAN THE NOISE AROUND YOU.

Who am I? Why am I here? Does my faith actually fit the life I am living? Written directly for Muslim teenagers, this book takes those questions seriously and answers them honestly, through the Quran, the Sunnah and what psychology teaches about growing up.

Imam Ayman Al-Taher helps young readers understand their emotions, their friendships, their pressures and their relationship with Allah, and shows them how to build an identity that is strong, calm and their own.

WHAT CLIENTS ARE SAYING

"He has taken a non-traditional approach that still remains grounded in Islamic values and our way of life... He listens with intention, creates a space that feels safe and balanced for both of us, and encourages empathy in a way that feels practical and deeply respectful."

"His approach is calm, clear, and compassionate, and always rooted in what will benefit the marriage, not just the individual."

"He combines his excellent grasp of the subject matter with a high level of empathy, kindness, trustworthiness and respect for his clientele."

A faith-aligned, clinically grounded companion for every Muslim teenager who wants to know who they are, and who they are meant to become.
