Slant

Pick one slant and keep it. The faint diagonal lines are your guide. Copy the sentence three times, then write two lines of your own.

Name: _____ Date: _____

Every letter leans the same way, from the first word to the last.

The page contains 20 sets of horizontal lines for handwriting practice. Each set consists of a solid top line, a solid bottom line, and a faint diagonal line slanting from the top-left to the bottom-right. These lines are spaced evenly down the page to provide a guide for letter slant and height.

Spacing

Even spaces between letters, one letter width between words, a margin on the left. Copy each line, then rewrite the squashed line with proper spacing.

Name: _____ Date: _____

Even spacing makes a page easy to read.

Un espacement régulier rend la page facile à lire.

One letters between words not more and not less.

Une lettre entre les mots pas plus et pas moins.
