

BEFORE YOU SAY YES, KNOW WHAT YOU ARE BUILDING.

In this practical guide, Imam Ayman Al-Taher draws on decades of clinical experience and Islamic scholarship to help Muslims choose a spouse with clarity, and prepare for marriage with intention. Integrating traditional Islamic teachings with evidence-based psychology, it gives individuals and families the questions, the tools and the self-knowledge they need before the nikah, not after it.

From knowing yourself and your own family patterns to discerning character, compatibility and readiness, *Sacred Foundations* addresses what pre-marriage preparation should actually look like.

WHAT CLIENTS ARE SAYING

"He has taken a non-traditional approach that still remains grounded in Islamic values and our way of life... He listens with intention, creates a space that feels safe and balanced for both of us, and encourages empathy in a way that feels practical and deeply respectful."

"His approach is calm, clear, and compassionate, and always rooted in what will benefit the marriage, not just the individual."

"He combines his excellent grasp of the subject matter with a high level of empathy, kindness, trustworthiness and respect for his clientele."

Whether you are searching, already speaking with someone, or guiding a son or daughter, this book offers faith-aligned, scientifically grounded support for a marriage built on *sakinah*, *mawaddah* and *rahmah*.
