SACRED RESILIENCE

AYMAN AL-TAHER

WHEN A MARRIAGE IS TESTED, FAITH DOES NOT HAVE TO BREAK.

Every marriage meets hardship: conflict that will not resolve, distance, betrayal, illness, financial strain. In this volume, Imam Ayman Al-Taher offers spouses a way through that is honest about the pain and grounded in both Islamic teaching and clinical practice.

Drawing on decades of counselling Muslim couples, he shows how *sabr*, *tawakkul* and evidence-based mental health care work together to protect the heart, the marriage and the children.

WHAT CLIENTS ARE SAYING

“He has taken a non-traditional approach that still remains grounded in Islamic values and our way of life... He listens with intention, creates a space that feels safe and balanced for both of us, and encourages empathy in a way that feels practical and deeply respectful.”

“His approach is calm, clear, and compassionate, and always rooted in what will benefit the marriage, not just the individual.”

“He combines his excellent grasp of the subject matter with a high level of empathy, kindness, trustworthiness and respect for his clientele.”

For any spouse who feels alone in a difficult marriage, this book offers faith-aligned, clinically grounded strength for the road ahead.
